## September 2010

### Labor Day

#### You May Lose

A young boy had his hand in the cookie jar. His mother exclaimed "Johnny you're not eating any cookies are you?" Johnny replied "No Mom!" His Mom asked again, "Are you sure you're not taking any cookies?" Johnny again replied "No Ma!" Johnny's mom still suspicious, walked into the kitchen and caught Johnny with his hand up to his elbow in the cookie jar. "Johnny I thought you told me you weren't eating any cookies!" Johnny said "Mom I'm not, I am resisting temptation."

Don't stick around to test your abilities to resist temptation, run away from it"

#### BMW Tension Straps

We have been insisting that the tension straps for BMW "i" Series be replaced when the top is being replaced. Unfortunately our supplier of these intricate straps has discontinued making them. We are currently working on manufacturing them but for the time being we will be including a piece of elastic with all BM8090, BM8091 & BM8110 tops. This elastic needs to replace the elastic on the old tension straps.
